

Unique opportunity to Support this Event

Materials and Maintenance Advancements for the South-West 2020

Bunbury, Thursday 22 October 2020

Koombana Drive,
Bunbury,
Western Australia

Following the great success of our inaugural MAMAS Event in 2018, Materials Australia is inviting relevant and interested companies working across the South West region to support the second seminar in this series. We are looking for support from designers, manufacturers, operators and consultants in the engineering fields in industry around Bunbury and the South West Region.

Various opportunities are available for sponsorship with 4 levels:

Bronze \$500, Silver \$1200, Gold \$1750 and Platinum \$2500

These will allow your company the opportunity to be promoted in the lead-up to the event as well as receive multiple promotion opportunities on the day.

Sponsorship opportunities also exist to partner with the seminar for a breakfast package, lunch package, and a post seminar networking drinks package. Opportunities are filling quickly so please discuss these opportunities with the seminar organising committee.

For more details, please contact either of these members of the seminar organising committee:

Paul Howard, Seminar Convenor, at Materials Australia
(08) 9322 0847, or email: paulh@gerard-daniels.com

Paul Huggett, Sponsorship Coordinator, at Materials Australia
0411 868 289, email: paul.huggett@applus.com

Sponsorship Packages involve the following benefits:
